A color photograph of Morgan County High School. The building is a single-story structure with a brick lower half and a light-colored upper half. It features a series of large windows on the left and a covered entrance on the right. Several students are walking on the sidewalk in front of the entrance. The sky is overcast with grey clouds. A utility pole is visible in the background.

Mrs. Anne Weinman

To You We Dedicate The 1967 Morcohi

We, the 1966-67 MorCoHi staff, dedicate this annual to Mrs. Weinman because we feel that she well deserves it and is one of the hardest-working teachers of our faculty. We wish her good luck in the remaining years she teaches. We will always remember all she has done for each of us and say, "Thank you, Mrs. Weinman."

A somber glance....the year's conclusion

Remembering...

This year was unique...involved

A synopsis of events...emotions...happy moments

Sad moments.

Perhaps maturing...awakening,

Blossoming forth.

But we will relive...turning a few pages;

The final page...

Not an end - but...a commencement ...

Advancing years, when...

We...opening the covers of this book...

Become again...a sophomore...a senior;

A moment...immortalized.
